

GUARANTEE

All Reeflex inverter welders are guaranteed for faulty parts and faulty workmanship for a period of 24 months, from date of sale. Guarantee repairs must only be carried out by an authorized REEFLEX repair centre or service agent.

REEFLEX WARRANTY / Statement of warranty

Notwithstanding anything to the contrary elsewhere contained, the under mentioned shall be the sole and exclusive warranty applicable to REEFLEX welding equipment sold by REEFLEX or its authorized agents.

REEFLEX undertakes at its option to repair, replace or refund the purchase price (less depreciation reasonably determined by REEFLEX) in respect of all welding equipment and parts manufactured and distributed by REEFLEX or its authorized agent and sold under the trade name of REEFLEX, which fail or are defective as a result of a defect in design, materials or workmanship within the period stated in the schedule hereto, provided in the opinion of REEFLEX:

- Such failure/defect is not the result of wear and tear.
- The goods have been employed strictly in accordance with the relevant operating manual and under competent supervision and have not been repaired or modified by anyone other than REEFLEX or its duly authorised agent.
- The goods are promptly returned, carriage paid to the premises of REEFLEX or its authorised agent.
- The goods were sold as new and were not prototypes.

The warranty aforesaid replaces and is in lieu of any and all warranties, guarantees and the like whether express or implied by common law or statute and any liability for every form of damage whether direct or consequential is hereby expressly excluded.

LIMITATIONS OF GUARANTEE

The following is not covered by the guarantee
